## November Brings CHILD SAFETY & PREVENTION Month

### Did you know that November is Child Safety & Protection Month?

It was created to raise awareness about the potential dangers that children face each & every day. Statistics from the Centers for Disease Control & Prevention Child Injury Report are a sobering reminder of the importance of this issue. It found that an estimated 9.2 million children annually had an initial emergency department visit for an unintentional injury. Furthermore, on average, 12,175 children 0 to 19 years of age die each year in the United States from an unintentional & often preventable injury.

Safety Starts At Home! To take a look at the different ways to promote national child safety protection month within our homes & communities, visit the **children'sbureau** website at [www.all4kids.org](http://www.all4kids.org).

## HOW MANY PILGRIM WOMEN SURVIVED TO CELEBRATE THE FIRST THANKSGIVING?

**ANSWER•4**

**The first harvest celebration held by the Plymouth Colony Pilgrims took place in the 17th century. There are actually only two firsthand written accounts of the feast. One is in William Bradford's journal "Of Plymouth Plantation" & the other is "Mourt's Relations," written by Edward Winslow. The Pilgrims held their first feast to celebrate the year's successful fall harvest. Of the 53 souls who survived the first winter in the New World, only four adult, married women survived. They were Eleanor Billington, Mary Brewster, Elizabeth Hopkins & Susanna White Winslow. There were 22 men & 27 teens & children making up the remainder of the Pilgrims.**

## "Four Score & Seven Years Ago..."

On November 19, 1863, President Abraham Lincoln delivered remarks, which later became known as the Gettysburg Address, at the official dedication ceremony for the National Cemetery of Gettysburg in Pennsylvania, on the site of one of the bloodiest &

most decisive battles of the Civil War. In it, he invoked the principles of human equality contained in the Declaration of Independence and connected the sacrifices of the Civil War with the desire for "a new birth of freedom," as well as the all-important preservation of the Union created in 1776 and its ideal of self-government.

Though he was not the featured speaker that day, the Gettysburg Address would endure as arguably the most quoted, most memorized piece of oratory in American history. After Lincoln's assassination in April 1865, Senator Charles Sumner of Massachusetts wrote of the address, "That speech, uttered at the field of Gettysburg, and now sanctified by the martyrdom of its author, is a monumental act. In the modesty of his nature he said, 'the world will little note, nor long remember what we say here; but it can never forget what they did here.' He was mistaken. The world at once noted what he said & will never cease to remember it."

## CLASSIC DEVILED EGGS

Level: Easy • Time: 35 min • Yield: 4 servings

### INGREDIENTS

- 6 eggs
- 1/4 cup mayonnaise
- 1 teaspoon white vinegar
- 1 teaspoon yellow mustard
  - 1/8 teaspoon salt
- ground black pepper
- paprika, for garnish

### DIRECTIONS

- Place eggs in a single layer in a saucepan & cover with enough water that there's 1-1/2 inches of water above the eggs. Heat on high until water begins to boil, then cover, turn the heat to low, & cook for 1 minute. Remove from heat & leave covered for 14 minutes, then rinse under cold water continuously for 1 minute.
- Crack egg shells & carefully peel under cool running water. Gently dry with paper towels. Slice the eggs in half lengthwise, removing yolks to a medium bowl, & placing the whites on a serving platter. Mash the yolks into a fine crumble using a fork. Add mayonnaise, vinegar, mustard, salt & pepper. Mix well.
- Evenly disperse heaping teaspoons of the yolk mixture into the egg whites. Sprinkle with paprika & serve.

## PRE-TRIP VEHICLE CHECK MINIMIZES THANKSGIVING TRAVEL STRESS

High traffic volumes & unpredictable weather make Thanksgiving a stressful time to travel.

According to the AAA, the number of Thanksgiving travelers will top 54 million, the highest travel volume in over a dozen years. While you can't control the traffic or the weather, you can make sure that your vehicle is prepared for the trip, says the non-profit Car Care Council. To minimize stress & avoid holiday road trip mishaps, the Car Care Council recommends checking the following items as part of a thorough pre-trip vehicle check.

- Check the brake system & make sure the battery connection is clean, tight & corrosion-free.
- Check filters & fluids, including engine oil, power steering & brake & transmission, as well as windshield washer solvent & antifreeze/coolant.
- Make sure heaters, defrosters & wipers work properly. Consider winter wiper blades & use cold weather washer fluid.
- Check the hoses & belts that can become loose, cracked, brittle, frayed or show signs of excessive wear.
- Check the tires, including tire pressure & tread. Tires should also be checked for bulges & bald spots. If snow & ice are a problem in your area, consider special tires designed to grip slick roads.
- Check that the gas cap is not loose, damaged or missing to prevent gas from spilling or evaporating.
- Check to see that exterior & interior lights work & headlights are properly aimed.

"If you're due for a tune-up, have it done before heading out for the holidays in order to improve engine performance & increase fuel economy," says Rich White, Executive Director, Car Care Council. "These simple steps will help keep you on the road & get you safely to your destination."
